

CATALOG

New Records for the New Year

Welcome, 2022! Let's start the new year by exploring some recently added records to the Catalog. With more than 160 million digitized pages of records available in the [National Archives Catalog](#), there is always something new to discover.

Off Road Space GIF by [US National Archives on Giphy](#)

Boulder Canyon Project Histories, 1948 - 1966

[National Archives Identifier 2292774](#)

Project History - Boulder Canyon Project - Boulder Dam. [National Archives Identifier 218518044](#)

More than 7,400 digitized pages have been added to this [series](#), which include photographs, data tables, maps, and technical drawings that describe projects authorized under the Boulder Canyon Project Act, namely Boulder Dam (later renamed Hoover Dam), Boulder Power Plant, and the All-American Canal. The histories include information on project construction, operation, and maintenance. The records document the creation and construction of Boulder City, Nevada, and Lake Mead National Recreation Area.

Photographs Relating to Federal Aviation Facilities, 1946 - 1972

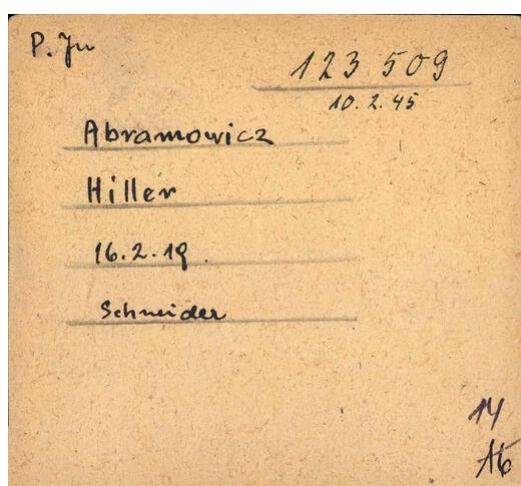

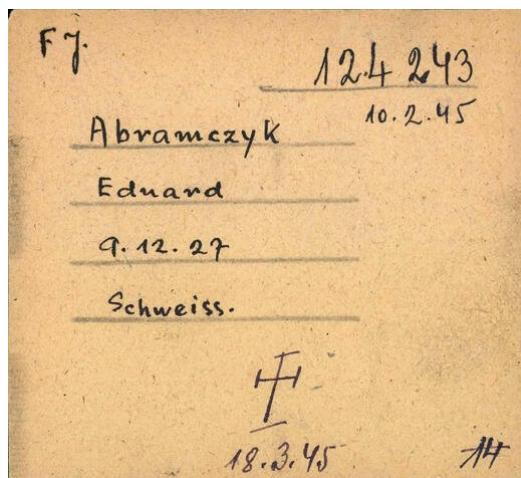

[National Archives Identifier 6087866](#)

This series contains 289 descriptions and 30,562 digitized pages consisting of photographs relating to the Federal Aviation Administration's area operations and facilities throughout Alaska. These locations and facilities include the Alesky Oil Pipeline, Mt. McKinley or Denali, Merrill Field, Elmendorf Air Force Base, Akiak, Amchitka, Cordova, Fairbanks, Iliamna, Kodiak, Metlakatla, Nenana, Nome, Portage, Skagway, Juneau, Tanana, and Wrangel.

Information Cards for Inmates of the Langenstein-Zwieberge Concentration Camp, ca. 1947 - ca. 1947

[National Archives Identifier 581059](#)

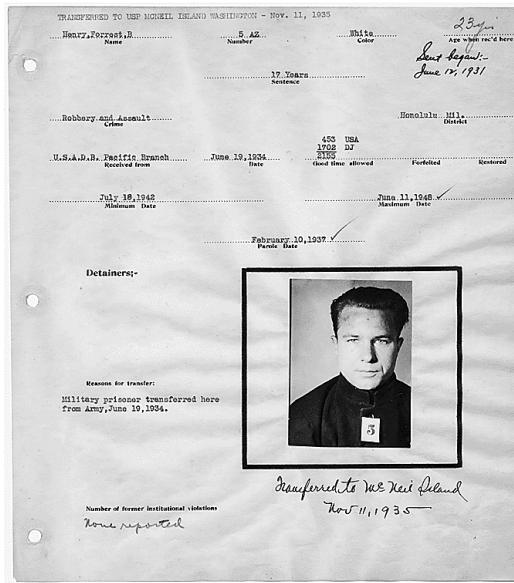

Abajew THRU Batscharow. [National Archives Identifier 222549683](#)

This series consists of 10,012 digitized pages of an index to inmates of the Langenstein-Zwieberge concentration camp. Each index file includes the inmate's

name, date of birth, nationality, and prisoner number. Files of deceased inmates are marked with a cross. The index, originally created by the German authorities in charge of the camp, is in German.

[Alcatraz] Warden's Notebook Pages, 1934 - 1963

[National Archives Identifier 296686](#)

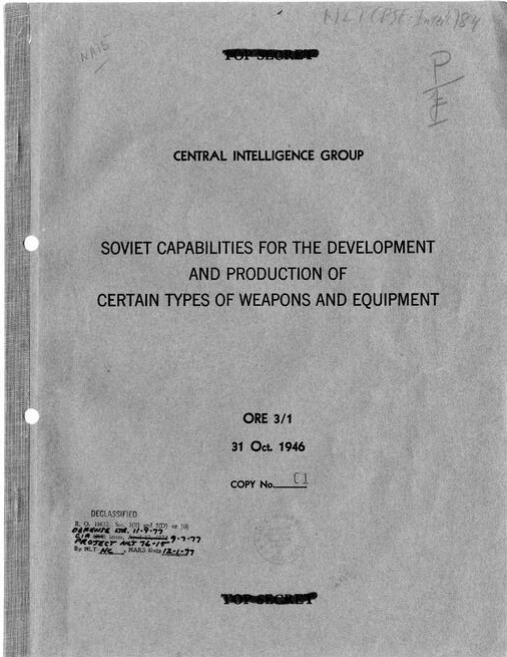

Warden's notebook page, with "mug shot," of Forrest B. Henry, 5-AZ. [National Archives Identifier 296691](#)

1,527 descriptions and 1,188 digitized pages make up this [series](#) of looseleaf notebook pages containing basic summary information about, and an identification photograph (frontal view of face), of each inmate. In some cases collateral material, such as disciplinary reports or news clippings, are also included.

Intelligence Files, 1946 - 1953 from the collection - President's Secretary's Files (Truman Administration)

[National Archives Identifier 602196](#)

Soviet Capabilities for the Development and Production of Certain Types of Weapons and Equipment, 10/31/1946. [National Archives Identifier 225247853](#)

The Intelligence Files [series](#) includes 107 new descriptions and 1,828 digitized pages including charts, graphs, correspondence, memorandums, reports, and printed materials. The Central Intelligence Files subseries consists mostly of daily summaries of the military situation in Korea from June 1950 to January 1953, with references to political and economic issues, cease-fire negotiations, and communist propaganda. Also in the subseries are intelligence memorandums concerning Europe, the Truman Doctrine, the Marshall Plan, Israel, Yugoslavia, and China.

Citizen Archivist Volunteer Opportunities

Start your year as a virtual volunteer! In the spirit of the Dr. Martin Luther King, Jr. Day of Service, consider joining us as a [Citizen Archivist](#). We have many new [missions and featured records](#) waiting to be transcribed.

City "farmers" cultivate thriving garden, 8/1973. [National Archives Identifier 551621](#)

For our [latest mission](#), we are looking for help transcribing the captions of photographs relating to the **Federal Aviation Administration's area operations and facilities throughout Alaska**. These locations and facilities include the Alesky Oil Pipeline, Mt. McKinley or Denali, Merrill Field, Elmendorf Air Force Base, Akiak, Amchitka, Cordova, Fairbanks, Iliamna, Kodiak, Metlakatla, Nenana, Nome, Portage, Skagway, Juneau, Tanana, and Wrangel.

Visit our [missions page](#) for the latest selection of records to transcribe. We update our missions page regularly, so check back often to see what's new!

How many pages can you transcribe? [Get started transcribing now.](#)
